Constellation Oil Services to Announce Full-Year 2024 Earnings and Participate in Leading Industry Conferences

Luxembourg, February 17th, 2025 – Constellation Oil Services Holding S.A. (“Constellation” or the “Company”) announces the schedule for its Total Year 2024 earnings release and investor conference call and confirms its participation in upcoming financial and industry conferences.

Earnings Release and Conference Call Details

Constellation will release its Full-Year 2024 financial results on March 25, 2025, via its investor relations website (ri.theconstellation.com). A conference call to discuss the results will be held on March 26, 2025, at 10:00 a.m. BRT (9:00 a.m. EST). Investors and analysts are encouraged to join the webcast [[link](#)], with a replay available until April 3, 2025.

Participation in Financial and Industry Conferences

Constellation is pleased to announce its participation in the following financial and industry conferences:

- i. J.P. Morgan Global Leveraged Finance Conference to be held between February 24th and 26th, 2025, in Miami Beach, FL, US.
- ii. DNB's Energy & Shipping Conference 2025 to be held between March 5th and 6th, 2025, in Oslo, Norway.
- iii. Clarkson’s Securities' 14th Annual Drilling Conference to be held on March 19th, 2025, in New York, NY, US.

Through these high-profile conferences, Constellation will engage with institutional investors, industry analysts, and key stakeholders to discuss its financial performance, strategic initiatives, and growth opportunities in the offshore drilling sector. Presentation materials from these conferences will be made available on our Investor Relations website.

About Constellation

Constellation is a market leading provider of offshore oil and gas contract drilling services through its subsidiary Serviços de Petróleo Constellation S.A. (“Serviços de Petróleo Constellation”). With continuous operations since 1981, Serviços de Petróleo Constellation has built an unmatched reputation for excellence in offshore drilling services, obtaining ISO 9001, ISO 14001, ISO 45001, and API Spec Q2 certifications for its quality management, environmental and safety records and systems.
